

# WHAT'S NEW FOR THIS ELECTION

## Top Two Primary

### What is it?

In 2010, California voters approved Proposition 14 creating the "Top-Two Primary," which replaced the traditional party-nominated primary. Under the Top-Two Primary laws, all candidates running, regardless of their party preference, appear on a single combined ballot, and voters can vote for any candidate from any political party. The candidates who receive the highest and second-highest number of votes cast at the Primary election advance to the General election. This change applies to federal and state contests, except for President. The rules for non-partisan contests (i.e. counties, cities, school and special districts) did not change.

### For the Presidential Primary, Party Ballots Still Exist

Since the Top Two Primary rules do not affect the election of party nominee for President, party-specific ballots will be issued for this Presidential Primary Election. Only voters who are registered to vote with a specific party are allowed to vote in that party's Presidential nominee contest.

### All Other Contests Are Open to All Voters

The new rules apply to U.S. Senate, U.S. Congressional, statewide and state legislative offices. Candidates for these offices are no longer nominated by party. As a result, voters can vote for any candidate on the ballot regardless of the candidate's party preference. These contests are now referred to as "voter-nominated offices." Again, in these contests, only the two candidates who receive the highest and second-highest vote totals will be on the ballot in the November General Election.

### Party Preference and Political Party Endorsement

The term "party preference" is now used in place of the term "party affiliation". Similarly, voters who were previously known as "decline-to-state" voters (because they did not have a party affiliation) are now known as "no party preference" or "NPP" voters.

On the ballot, the political party preference, or no party preference, as indicated on the candidate's voter registration will be listed next to or below the candidate's name. The party designation is shown on the ballot for the information of the voters only and it does not constitute or imply an endorsement by the party designated. Parties may provide

a list of candidates for voter-nominated offices, who have received the official endorsement of the party for printing in this booklet.

**Write-In Candidates**

Write-in candidates are eligible to run in the Primary, and voters can cast their vote for that candidate by writing in the candidate’s name and filling in the oval next to the write-in line. If a qualified write-in candidate is one of the top two candidates, under the new rule, that candidate will advance to and have their name printed on the General election ballot.

**Changes due to Redistricting**

After the 2010 decennial census, all legislative district lines for federal, state and county offices were redrawn. These lines have been put into place and the candidates on the ballot which you are issued are determined by the district in which you reside. Voters in San Luis Obispo County remain in one state senate district (the 17<sup>th</sup>) and one assembly district (the 35<sup>th</sup>). The county is once again represented by one congressional district (the 24<sup>th</sup>). In addition, the lines designating the 5 districts represented by the Board of Supervisors were redrawn and your residence may now be located in a different district than before. Contact us if you have any questions about the district contests on your ballot.

# Sample Ballot and Voter Information Pamphlet Format

To help save Taxpayers' money, the Clerk-Recorder's office has instituted some cost-savings measures with regard to the Sample Ballot and the Voter Information Pamphlet.

## Digest-Sized Booklet

The first thing you may have noticed is that the booklet is half the size of those in previous elections. This is due to recent changes which increased postage to send full-sized booklets. By reformatting our booklets to the “digest-sized” booklet, the county will be sending the sample ballot at the most efficient postage rates.

## Sample Ballot Layout

In order to accommodate the digest-sized booklet format and still be readable, the sample ballot showing all contests on your ballot is laid out across multiple pages.

The sample ballot does not look exactly like the official ballot you will be voting, but the contests are laid out in the booklet in the same order as the official ballot. The partisan contests, if applicable, will be listed first followed by contests for the Voter-Nominated and Non-Partisan contests, State Propositions and any Local Measures.

**ABEL MALDONADO**

**Age: 44**

**Occupation:** Farmer, Business Owner

**Education and Qualifications:** Washington's failed economic policies and \$1 trillion budget deficits hurt all of us. To get our country back on track, we need leaders who will help fix Congress and do what's right for the people.

As a business owner, I helped turn a half-acre plot of land into a family farm that employs 250 people. I know how to create jobs and how to repair mistakes made in Washington that caused the economic meltdown. I'm a fiscal conservative who opposes the irresponsible deficit spending that created a \$15 trillion national debt and slows economic recovery. Count on me to oppose bank bailouts, corrupt pork barrel spending and other government waste. By repealing policies that chase jobs to China, I'll help rebuild America's economic engine. I'll push for tax credits for employers who create new jobs. I'll fight to reduce the price of gasoline by making the US energy independent.

As a public servant, I have exposed corrupt public officials, refused pay raises and wrote a new law to outlaw pay increases for politicians when the state had a budget deficit. The California Taxpayers Association gave me repeated 100% ratings for opposing billions in new taxes on working families. I also opposed efforts to raise tuition on U.C. and Cal-State students.

In Congress, I'll renew my efforts to stand tall against corruption, waste, fraud and excessive government spending - because that's what it will take to fix Congress and get America back on track.

**DECLARACIÓN DEL CANDIDATO A  
DIPUTADO DE EE. UU., 24.º DISTRITO ELECTORAL**

**ABEL MALDONADO**

**Edad: 44 años**

**Ocupación:** Agricultor, propietario de empresa

**Educación y competencia:** Las políticas económicas de Washington y los déficits presupuestarios de \$1 billón nos hacen daño a todos. Para que nuestro país se recupere, necesitamos líderes que ayuden a arreglar el Congreso y a hacer lo correcto por la gente.

Como propietario de una empresa, ayudé a convertir un terreno de aproximadamente 2020 metros cuadrados en una granja familiar que emplea a 250 personas. Sé cómo crear empleos y reparar los errores de Washington que causaron el colapso económico. Soy conservador en cuestiones de economía; me opongo al gasto irresponsable que provoca déficits, el cual originó la deuda nacional de \$15 billones y disminuye la velocidad de la recuperación económica. Cuento con mi oposición a los rescates bancarios, al gasto corrupto en proselitismo electoral y demás derroches del gobierno. Al revocar las políticas que cazan empleos en China, ayudaré a reconstruir el motor económico de Estados Unidos. Presionaré por que se den créditos tributarios a los empleadores que generen nuevos empleos. Lucharé para reducir el precio de la gasolina al volver independiente la energía de Estados Unidos.

Como servidor público, he expuesto a funcionarios públicos corruptos, he rechazado aumentos y escribí una nueva ley para prohibir aumentos en el sueldo de los políticos si el estado tiene un déficit presupuestario. La Asociación de Contribuyentes de California me dio calificaciones del 100% en repetidas ocasiones por oponerme a nuevos impuestos de miles de millones para las familias trabajadoras. También me opuse a los esfuerzos por aumentar las colegiaturas de los estudiantes de la Universidad de California y la Universidad Estatal de California.

En el Congreso, renovaré mis esfuerzos para mantenerme firme contra la corrupción, el derroche, el fraude y los gastos excesivos del gobierno, porque eso es lo que se necesita para arreglar el Congreso y para que Estados Unidos se recupere.

## STATEMENT OF CANDIDATE FOR STATE SENATOR, 17<sup>TH</sup> DISTRICT

**BILL MONNING**

**Age: 60**

**Occupation:** Assemblymember

**Education and Qualifications:** Since 2008, when I was elected to the Assembly, I've used my skills in conflict resolution and mediation to tackle our state's challenges.

As an Assemblymember, I can tell you – as bad as things seem in Sacramento – we're turning a corner. That's why I'm asking you to send me to the State Senate.

In 2012, you have the chance to make a difference by being part of the solution. It would be an honor to represent the people of San Luis Obispo County.

In the past three years, under both Republican and Democratic Governors, I've had 26 bills signed into law. As Chair of the Assembly Committee on Health, I've fought to promote healthy lifestyles, battle the scourge of child obesity, and protect our most vulnerable, including people with mental health issues and the disabled living in long-term care facilities.

I'll continue to focus on job growth by supporting agriculture, tourism, and small businesses, including the many wineries critical to the County's economic health. I'll make sure we're providing our schools, colleges, and universities the funding to allow our kids to thrive. And, I'll fight to give our first responders the support they need to keep our communities safe.

I'm asking for your vote to allow me to represent you in the 17th State Senate District. Together, we can preserve what's special about San Luis Obispo County and keep our State moving forward.

Please visit [www.billmonning.org](http://www.billmonning.org). I'd be honored to receive your vote on June 5th. Thank you.

## DECLARACIÓN DEL CANDIDATO A SENADOR ESTATAL, 17.º DISTRITO

**BILL MONNING**

**Edad: 60 años**

**Ocupación:** Miembro de la Asamblea

**Educación y competencia:** Desde 2008, cuando me eligieron para la Asamblea, he usado mis habilidades de resolución de conflictos para enfrentar los retos de nuestro estado.

Como miembro de la Asamblea, puedo decirle que, a pesar de lo mal que parecen estar las cosas en Sacramento, estamos superando una etapa. Es por eso que le pido que me envíe al Senado Estatal.

En 2012, usted tiene la oportunidad de hacer la diferencia y ser parte de la solución. Sería un honor representar a la gente del condado de San Luis Obispo.

Durante los últimos tres años, en periodos de gobernadores tanto republicanos como demócratas, he logrado que se aprueben 26 proyectos de ley. Como presidente del Comité de Salud de la Asamblea, he luchado por promover estilos de vida saludables, frenar el flagelo de la obesidad infantil y proteger a la gente más vulnerable, incluidas las personas con problemas de salud mental y con discapacidades que viven en establecimientos de cuidado a largo plazo.

Seguiré concentrándome en el crecimiento de empleos mediante el apoyo a la agricultura, al turismo y a los pequeños negocios, incluidas las diversas bodegas que son fundamentales en la salud económica del condado. Me aseguraré de que nuestras escuelas y universidades cuenten con los fondos para que nuestros hijos salgan adelante. Y lucharé para dar a nuestros socorristas el apoyo que necesitan para mantener nuestras comunidades a salvo.

Le pido su voto para que me permita representarlo en el 17.º Distrito del Senado Estatal. Juntos podemos conservar lo que hace especial al condado de San Luis Obispo y hacer que nuestro estado siga progresando.

## IMPARTIAL ANALYSIS MEASURE A-12

Measure A-12 was unanimously placed on the ballot by the Arroyo Grande City Council to ask voters to authorize the issuance and sale of general obligation bonds in an amount up to \$6,700,000 to construct a new Police Station. California law authorizes cities to issue general obligation bonds to finance "municipal improvements", including the construction of police stations. The proposed new 30 year bonds include an amount sufficient to retire the bonds that were issued in 2003 to construct the Fire Station.

The proposed funding includes repaying the bonds partly through a real property tax at a tax assessment rate equal to or below the existing tax rate for the Fire Station bonds, and also using funds from the 2006 Local Sales Tax Measure to pay the balance of the bond payment. Funding is also based upon purchase of the bonds by the U.S. Department of Agriculture through a low-interest community facility financing program, for which an application has been submitted by the City.

The real property tax would be assessed on the value of commercial, residential, industrial, agricultural and utility property within the City. According to the tax rate statement provided by the City's financial consultant, the best estimate of the highest annual tax rate to property owners is \$8.17 for each \$100,000 of assessed value, which is the same as the current tax rate for the Fire Station bonds.

The existing Police Station was acquired in 1973 and was last expanded in 1989. Since 1973, staffing has grown from 12 full-time and 6 part-time employees to 34 full-time and 15 part-time employees in 2012. The proposed new Police Station will meet the following needs that have been identified by City staff: an emergency operations center, the 9-1-1 system, expansion of the dispatch center, expansion of evidence and equipment storage and additional parking for police vehicles and staff. The proposed new Police Station is planned to be built on City owned property at the corner of West Branch Street and Old Ranch Road.

A "yes" vote is a vote in favor of authorizing the City of Arroyo Grande to issue and sell general obligation bonds not to exceed the principal amount of \$6,700,000, to retire the 2003 Fire Station bonds and construct a new Police Station.

A "no" vote is a vote to not authorize the issuance and sale of said bonds.

The Measure will pass if two-thirds of those voting on the measure vote "yes".

Dated: 2/28/12

TIMOTHY J. CARMEL, City Attorney  
City of Arroyo Grande

"The above statement is an impartial analysis of Measure A-12. If you desire a copy of the full text of the measure, it is available on the City of Arroyo Grande website at <http://www.arroyogrande.org> or please call the City Clerk's office at 805-473-5414 and a copy will be mailed at no cost to you."

## TAX RATE STATEMENT MEASURE A-12

An election will be held in the City of Arroyo Grande (the "City") on June 5, 2012, to authorize the sale of up to \$6,700,000 in bonds of the City to finance construction of a new Police Station and refinance the 2003 Fire Station bonds as described in the proposition. If the bonds are approved, the City expects to sell the bonds in single series in fiscal year 2012-2013. Principal of and interest on the bonds will be payable in part from the proceeds of tax levies made upon the taxable property in the City. The following information is provided in compliance with Sections 9400-9405 of the Elections Code of the State of California.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the bonds, based on estimated assessed valuations available at the time of filing of this statement, is .00817 cents per \$100 assessed valuation (\$8.17 per \$100,000) of assessed valuation in fiscal year 2012-13.
2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is .00817 cents per \$100 assessed valuation (\$8.17 per \$100,000) of assessed valuation in fiscal year 2012-13.

Voters should note that it is the intention of the City to pay a portion of annual bond payments with revenues from the 2006 Local Sales Tax Measure so as to maintain the tax rate at or below the existing tax rate for the Fire Station Bonds, which is currently .00817 cents per \$100 assessed valuation.

Voters should note that the estimated tax rates are based on the *assessed value* of taxable property on the official tax roles of the city, *not* on the property's market value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based on the City's current projections and estimates only. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of the bond sale, the amount of bonds sold, interest rates at the time of bond sale, and actual assessed valuations over the term of repayment of the bonds. The date of sale and the amount of bonds sold will be determined by the City based on need for construction funds and other factors. The actual interest rate at which the bonds will be sold, not to exceed 6.5% per annum, will depend on the bond market at the time of sale. Actual future assessed valuations will depend upon the amount of taxable property within the City as determined by the County Assessor in the annual assessment and the equalization process.

## ARGUMENT IN FAVOR OF MEASURE A-12

Keeping people in the community safe is the most important function the City provides. To do this effectively requires not only dedicated personnel, but also adequate equipment and facilities. Your “YES” vote on Measure A-12 will provide funding to construct a much needed new Police Station on City-owned property at West Branch Street and Old Ranch Road.

The Police Department has grown to meet the community’s needs since the existing building began housing the City’s police force in 1973. As a result, space in the existing building is inadequate to enable performance of necessary functions. Additional space is vitally needed for an emergency operations center, evidence and computer storage, the 9-1-1 system, expansion of the dispatch center, detective offices, and employee parking.

An independent study of multiple alternatives has determined the most cost effective site and design to meet these needs. Waiting would only increase costs and reduce the availability of Federal financing assistance.

The City is acutely aware of the impacts the economy has had on its residents. Therefore, the proposed financing has been structured to fund the project without raising your annual tax rates.

Approval of this measure will authorize the sale of bonds to fund the major portion of the project costs. The bonds will be repaid without raising property tax rates by refinancing bonds issued in 2003 to expand the Fire Station. The balance of debt costs will be paid from local sales tax funds programmed for a new Police Station.

Arroyo Grande citizens depend on the Police Department for protection and a safe community. Now Officers are depending on you to provide them with the facilities needed to do their job. Your City Council strongly urges you to vote “YES” on Measure A-12.

## Sample Ballot Opt Out

Voters can now “Opt Out” of receiving a sample ballot, voter pamphlet (information guide), notice of polling place, and associated materials by mail, and instead obtain them electronically on the County’s Website.

By opting out you will reduce the number of booklets to be printed and mailed (about 50-70 cents each) and be sensitive to the environment

About a month prior to Election Day, the Clerk-Recorder will directly email to voters, as well as post announcements on the Clerk-Recorder’s Twitter and Facebook accounts, that this information is available online.

### Two ways to “Opt Out” of receiving these materials in the mail:

- 1) Check the box on the attached postcard (be sure to sign the form and furnish an email) and return it to the Clerk-Recorder’s office.
- 2) Send a message by emailing the Clerk-Recorder’s office requesting to Opt Out of receiving the Sample Ballot in the mail. You must provide your name as it appears on the voter rolls, residence address, and either California driver’s license or ID number or last four numbers of your Social Security Number in your request (as required by law).

If you decide later that you would like to resume receiving these materials by mail for future elections, you may “Opt In” by contacting the Clerk-Recorder’s office.

## **REQUESTING A VOTE BY MAIL BALLOT**

If you find that for any reason you will be unable to vote in person on Election Day, promptly complete and sign the application for a vote by mail ballot printed on the reverse side of this page, detach the post card, apply postage and mail. Your application must reach the office of the **Clerk-Recorder** not less than 7 days before the day of election. The deadline for the Clerk-Recorder to receive Vote By Mail applications is May 29, 2012.

## **PERMANENT VOTE BY MAIL QUALIFICATION**

State law now allows any voter, upon written request, to be a Permanent Vote By Mail Voter. If you check the Permanent Vote By Mail box on the Application for Vote By Mail Ballot, a vote by mail ballot will automatically be sent to you for future elections. Failure to vote in four consecutive statewide general elections may cancel your Permanent Vote By Mail Status and you will need to reapply.

## **RETURNING YOUR VOTE BY MAIL BALLOT**

Voters may return only their own voted vote by mail ballot, in person or by mail, to the Clerk-Recorder's Office. On Election Day the ballot can be returned to any polling place in the County. To be counted, a ballot must be received no later than the close of the polls at 8:00 p.m. on Election Day. However, a voter who is unable to return his/her ballot because of illness or other physical disability, may designate his/her spouse, child, parent, grandparent, grandchild, sibling or a person residing in the same household as the voter to return the ballot to the Clerk-Recorder or any election day polling place in San Luis Obispo County.
