Notes

1 Benefit Booklet:

The Benefit Booklet describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the Benefit Booklet for more details of coverage outlined in this Summary of Benefits. You can request a copy of the Benefit Booklet at any time.

Capitalized terms are defined in the Benefit Booklet. Refer to the Benefit Booklet for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Calendar Year Deductible is the amount you pay each Calendar Year before the Claims Administrator pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

Covered Services not subject to the Calendar Year medical Deductible. Some Covered Services received from Participating Providers are paid by the Claims Administrator before you meet any Calendar Year medical Deductible. These Covered Services do not have a check mark (✓) next to them in the "CYD applies" column in the Benefits chart above.

Family coverage has an individual Deductible within the Family Deductible. This means that the Deductible will be met for an individual with Family coverage who meets the individual Deductible prior to the Family meeting the Family Deductible within a Calendar Year.

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Teladoc. Teladoc mental health and substance use disorder consultations are provided through Teladoc.

"Allowable Amount" is defined in the Benefit Booklet. In addition:

- Coinsurance is calculated from the Allowable Amount or Benefit maximum, whichever is less.
-

4 Calendar Year Out-of-Pocket Maximum (OOPM):

Calendar Year Out-of-Pocket Maximum explained. The Out-of-Pocket Maximum is the most you are required to pay for Covered Services in a Calendar Year. Once you reach your Out-of-Pocket Maximum, the Claims Administrator will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year.

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges for services that are not covered, charges above the Allowable Amount, and charges for services above any Benefit maximum.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the medical Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

5 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit payment in addition to an allergy serum payment when you visit the doctor for an allergy shot.

6 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

Introduction

Welcome! We are happy to have you as a Member of the Public Risk Innovation, Solutions and Management (PRISM) – County of San Luis Obispo health Plan (Plan).

This health Plan will help you pay for medical care and provide you with access to a network of doctors, Hospitals, and other Health Care Providers. The types of services that are covered, the providers you can see, and your share of cost when you receive care may vary depending on the terms of the Plan, as described in further detail in this Benefit Booklet.

About this Benefit Booklet

The Benefit Booklet describes the health care coverage that is provided under the Plan. The Benefit Booklet tells you:

- Your eligibility for coverage;
- When coverage begins and ends;
- How you can access care;
- Which services are covered under your Plan (Covered Services);
- Which services are not covered under your Plan;
- When and how you must get prior authorization for certain services; and
- Important financial concepts, such as Copayment, Coinsurance, Deductible, and Out-of-Pocket Maximum.

This Benefit Booklet includes a [Summary of Benefits](#) section that lists your Cost Share for Covered Services. Use this summary to figure out what your cost will be when you receive care.

How to access care

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

Health care professionals and facilities

This Plan covers care from Participating Providers. You do not need a referral. However, some services do require prior authorization. See the [Medical Management Programs](#) section for information about prior authorization.

Participating Providers

The Claims Administrator has established a network of various types of "Participating Providers." These providers are called "Participating" because they have agreed to participate in the Claims Administrator's preferred provider organization program (PPO), which is called the Blue Shield Tandem PPO Network in California. Participating Providers have agreed to a rate they will accept as reimbursement for Covered Services.

The Blue Cross and Blue Shield Association, of which the Claims Administrator is a member, has a program (called the "BlueCard Program") which allows our Members to have the reciprocal use of participating providers contracted under another state's Blue Cross and/or Blue Shield Licensee (Host Blue). If you are outside of California and require medical care or treatment, you may use a local Host Blue provider. If you use one of these providers, your out-of-pocket expenses may be lower than those incurred when using a provider that does not participate in the BlueCard® Program.

Participating Providers or the Host Blue have a contract with the Claims Administrator and agree to accept the Claims Administrator's Allowable Amount as payment in full for Covered Services. With an EPO plan, there is generally no coverage for services from Non-Participating Providers.

If a provider leaves this Plan's network, the status of the provider will change from Participating to Non-Participating. See the [Continuity of Care](#) section for more information on how to continue treatment with a former Participating Provider.

Call Customer Service or visit member.accolade.com or blueshieldca.com and click on **Find a Doctor** for a list of your plan's **Participating Providers**.

See the [Inter-Plan Arrangements](#) section for more information about receiving care through the BlueCard® Program. To find participating providers through the BlueCard® Program, visit bcbs.com.

Non-Participating Providers

Non-Participating Providers or a Host Blue do not have a contract with the Claims Administrator to accept the Claims Administrator's Allowable Amount as payment in full for Covered Services. You may be responsible for the total amount billed by a Non-Participating Provider. All Covered Services must be received from a Participating Provider in the Claims Administrator's PPO network, except:

- For Emergency or Urgent Services;
- Inter-Plan Arrangements, including the BlueCard® and Blue Shield Global® Core programs described in the [Inter-Plan Arrangements](#) section; and
- When prior authorized by the Claims Administrator.

Except for Emergency Services and services received at a Participating Provider facility (Hospital, Ambulatory Surgical Center, laboratory, radiology center, imaging center, or certain other outpatient settings) under certain conditions, you will pay more for Covered Services from a Non-Participating Provider.

Non-Participating Providers at a Participating Provider Hospital or Ambulatory Surgical Center

When you receive care at one of these types of Participating Provider facilities, some Covered Services may be provided by a Non-Participating Provider. Your Cost Share will be the same as the amount due to a Participating Provider under similar circumstances, and you will not be responsible for additional charges above the Allowable Amount, unless the Non-Participating Provider provides you written notice of what they may charge and you consent to those terms.

Common types of providers

Primary Care Physicians (PCPs)

Other primary care providers, such as nurse practitioners and physician assistants

Physician Specialists, such as dermatologists and cardiologists

Physical, occupational, and speech therapists

Mental health providers, such as psychiatrists, psychologists, and licensed clinical social workers

Hospitals

Freestanding labs and radiology centers

Ambulatory Surgery Centers

ID cards

The Claims Administrator will provide the Participant and any enrolled Dependents with identification cards (ID cards). Only you can use your ID card to receive Benefits. Your ID card is important for accessing health care, so please keep it with you at all times. Temporary ID cards are available at member.accolade.com.

Canceling appointments

If you are unable to keep an appointment, you should notify the provider at least 24 hours before your scheduled appointment. Some offices charge a fee for missed appointments unless it is due to an emergency or you give 24-hour advance notice.

Continuity of care

Continuity of care with a Former Participating Provider may be available if your provider leaves the Claims Administrator network or the Claims Administrator no longer contracts with your Participating Provider for the services you are receiving.

Continuity of care may also be available to you when your Employer terminates its contract with the Claims Administrator and contracts with a new third-party administrator (TPA) that does not include the Claims Administrator's Participating Provider in its network.

If your Former Participating Provider is no longer available to you for one of the reasons noted above, the Claims Administrator will notify you of the option to continue treatment with your Former Participating Provider.

You can request to continue treatment with your Former Participating Provider in the situations described above if you are currently receiving the following care:

Continuity of care with a Former Participating Provider	
<i>Qualifying condition</i>	<i>Timeframe</i>
<ul style="list-style-type: none"> • Ongoing treatment for a serious and complex condition; • Ongoing institutional or inpatient care; • Ongoing pregnancy care, including care immediately after giving birth; • Scheduled, nonelective surgery, including postoperative care; or • Treatment for a terminal illness 	<p>90 days from the date you were notified that the Former Participating Provider is no longer available to you or until the treatment concludes, whichever is sooner</p>

To request continuity of care with a Former Participating Provider, please call Customer Service. The Claims Administrator will confirm your eligibility and may review your request for Medical Necessity.

Questions? Visit member.accolade.com, use the Blue Shield mobile app, or call Accolade Customer Service at 1-888-569-0643.

The Former Participating Provider must accept the Claims Administrator's Allowable Amount as payment in full for your ongoing care. Once the provider accepts and your request is authorized, you may continue to see the Former Participating Provider at the Participating Provider Cost Share.

See the [Your payment information](#) section for more information about the Allowable Amount.

Second medical opinion

You can consult a Participating Provider for a second medical opinion in situations including but not limited to:

- You have questions about the reasonableness or necessity of the treatment plan;
- There are different treatment options for your medical condition;
- Your diagnosis is unclear;
- Your condition has not improved after completing the prescribed course of treatment;
- You need additional information before deciding on a treatment plan; or
- You have questions about your diagnosis or treatment plan.

You do not need prior authorization from the Claims Administrator or your Physician for a second medical opinion.

Care outside of California

If you need medical care while traveling outside of California, you're covered. The Claims Administrator has relationships with health plans in other states, Puerto Rico, and the U.S. Virgin Islands through the BlueCard® Program. The Blue Cross Blue Shield Association can help you access care in those geographic areas.

See the [Out-of-area services](#) section for more information about receiving care while outside of California. To find participating providers while outside of California, visit [bcbs.com](https://www.bcbs.com).

Emergency Services

If you have a medical emergency, **call 911 or seek immediate medical attention** at the nearest hospital.

The Benefits of this Plan will be provided anywhere in the world for treatment of an Emergency Medical Condition. Emergency Services are covered at the Participating Provider Cost Share, even if you receive treatment from a Non-Participating Provider.

Questions? Visit member.accolade.com, use the Blue Shield mobile app, or call Accolade Customer Service at 1-888-569-0643.

After you receive care, the Claims Administrator will review your claim for Emergency Services to determine if your condition was in fact an Emergency Medical Condition. If you did not require Emergency Services and did not reasonably believe an emergency existed, you will be responsible for the services provided at a Participating Provider facility at the applicable Participating Provider Cost Share. Services provided at a Non-Participating Provider facility will not be covered.

If you cannot find a Participating Provider

Call Customer Service if you need help finding a Participating Provider who can provide the care you need close to home. If a Participating Provider is not available, you can ask to see a Non-Participating Provider at the Participating Provider Cost Share. If the services cannot reasonably be obtained from a Participating Provider, we will approve your request and you will only be responsible for the Participating Provider Cost Share.

Other ways to access care

For non-emergencies, it may be faster and easier to access care in one of the following ways. For more information, please call Customer Service or visit member.accolade.com.

Retail-based health clinics

Retail-based health clinics are conveniently located within stores and pharmacies. They are staffed with nurse practitioners who can provide basic medical care on a walk-in basis.

The Cost Share for Covered Services at a Participating retail-based health clinic is the same as the Cost Share at your Physician's office.

Teladoc

Teladoc provides health consultations by phone or secure online video. Teladoc general medical Physicians can diagnose and treat basic non-emergency medical conditions, and can also prescribe certain medication. Teladoc mental health consultations are available for Members age 13 and older. Urgent care centers

Urgent care centers are free-standing facilities that provide many of the same basic medical services as a doctor's office, often with extended hours but similar Cost Share.

Ambulatory Surgery Centers

Many of the more common, uncomplicated, outpatient surgical procedures can be performed at an Ambulatory Surgery Center. Your cost at an Ambulatory Surgery Center may be less than it would be for the same outpatient surgery performed at a Hospital.

Medical Management Programs

The Medical Management Programs are services that can help you coordinate your care and treatment. They include utilization management and care management. The Claims Administrator uses utilization management to help you and your providers identify the most appropriate and cost-effective way to use the Benefits of this plan. Care management and palliative care can help you access the care you need to manage serious health conditions and complex treatment plans.

For written information about the Claims Administrator's **Utilization Management Program**, call Customer Service or visit member.accolade.com or blueshieldca.com.

Prior authorization

Coverage for some Benefits requires pre-approval from the Claims Administrator. This process is called prior authorization. Prior authorization requests are reviewed for Medical Necessity, available plan Benefits, and clinically appropriate setting. The prior authorization process also verifies that the selected provider is a Participating Provider.

Your provider must obtain prior authorization when required. When prior authorization is required but not obtained, the Claims Administrator may deny payment to your provider. You are not responsible for the Claims Administrator's portion of the Allowable Amount if this occurs, only your Cost Share.

You do not need prior authorization for Emergency Services or emergency Hospital admissions. For non-emergency inpatient services, your provider should request prior authorization at least five business days before admission.

Call Customer Service or visit member.accolade.com or blueshieldca.com and click on Prior Authorization List for more details about medical and surgical services and select prescription Drugs that require prior authorization.

While you are in the Hospital (inpatient utilization review)

When you are admitted to the Hospital, your stay will be monitored for continued Medical Necessity. If it is no longer Medically Necessary for you to receive an inpatient level of care, the Claims Administrator will send a written notice to you, your provider, and the Hospital. If you choose to stay in the Hospital past the date indicated in this notice, you will be financially responsible for all inpatient charges after that date. Exceptions to inpatient utilization review include maternity and mastectomy care.

For maternity, the minimum length of an inpatient stay is 48 hours for a normal, vaginal delivery and 96 hours for a C-section. The provider and mother together may decide that a shorter length of stay is adequate.

For mastectomy, you and your provider determine the Medically Necessary length of stay after the surgery.

After you leave the Hospital (discharge planning)

You may still need care at home or in another facility after you are discharged from the Hospital. The Claims Administrator will work with you, your provider, and the Hospital's discharge planners to determine the most appropriate and cost-effective way to provide this care.

Using your Benefits effectively (care management)

Care management helps you coordinate your health care services and make the most efficient use of your Plan Benefits. Its goal is to help you stay as healthy as possible while managing your health condition, to avoid unnecessary emergency room visits and repeated hospitalizations, and to help you with the transition from Hospital to home. An Accolade care management nurse may contact you to see how we might help you manage your health condition. You may also request care management support by calling Customer Service. A case manager can:

- Help you identify and access appropriate services;
- Instruct you about self-management of your health care conditions; and
- Identify community resources to lend support as you learn to manage a chronic health condition.

Alternative services may be offered when they are medically appropriate and only utilized when you, your provider, and the Claims Administrator mutually agree. The availability of these services is specific to you for a set period of time based on your health condition. The Claims Administrator does not give up the right to administer your Benefits according to the terms of this Benefit Booklet or to discontinue any alternative services when they are no longer medically appropriate. The Plan is not obligated to cover the same or similar alternative services for any other Member in any other instance.

Managing a serious illness (palliative care services)

The Claims Administrator covers palliative care services if you have a serious illness. Palliative care provides relief from the symptoms, pain, and stress of a serious illness to help improve the quality of life for you and your family.

Palliative care services include access to Physicians and case managers who are specially trained to help you:

- Manage your pain and other symptoms;
- Maximize your comfort, safety, autonomy, and well-being;
- Navigate a course of care;
- Make informed decisions about therapy;
- Develop a survivorship plan; and
- Document your quality-of-life choices.

Your payment information

Paying for coverage

The Employer is responsible for funding the payment of claims for Benefits under this Plan.

Paying for Covered Services

Your Cost Share is the amount you pay for Covered Services. It is your portion of the Claims Administrator's Allowable Amount.

Your Cost Share includes any:

- Deductible;
- Copayment amount; and
- Coinsurance amount.

See the [Summary of Benefits](#) section for your **Cost Share** for Covered Services.

Allowable Amount

The Allowable Amount is the lower of either the Claims Administrator's Agreed Amount, or the Claims Administrator's Reasonable Amount.

Participating Providers agree to accept the Allowable Amount as payment in full for Covered Services, except as stated in the [Exception for other coverage](#) and [Reductions – third party liability](#) sections. When you see a Participating Provider, you are responsible for your Cost Share.

Generally, the Claims Administrator will pay its portion of the Allowable Amount and you will pay your Cost Share. If there is a payment dispute between the Claims Administrator and a Participating Provider over Covered Services you receive, the Participating Provider must resolve that dispute with the Claims Administrator. You are not required to pay for the Claims Administrator's portion of the Allowable Amount. You are only required to pay your Cost Share for those services.

Non-Participating Providers do not agree to accept the Allowable Amount as payment in full for Covered Services. When you see a Non-Participating Provider, you are responsible for:

- Your Cost Share; and
- All charges over the Allowable Amount.

Calendar Year Deductible

The Deductible is the amount you pay each Calendar Year for Covered Services before the Claims Administrator begins payment. The Claims Administrator will pay for some Covered Services before you meet your Deductible.

Questions? Visit member.accolade.com, use the Blue Shield mobile app, or call Accolade Customer Service at 1-888-569-0643.

Amounts you pay toward your Deductible count toward your Out-of-Pocket Maximum.

Some plans do not have a Deductible. For plans that do, there may be separate Deductibles for an individual Member and an entire Family.

If your Plan has Family coverage, there is an individual Deductible within the Family Deductible. This means an individual family member can meet the individual Deductible before the entire Family meets the Family Deductible.

If your Plan has individual coverage and you enroll a Dependent, your Plan will have Family coverage. Any amount you have paid toward the Deductible for your Plan with individual coverage will be applied to both the individual Deductible and the Family Deductible for your new Plan.

See the [Summary of Benefits](#) section for details on which Covered Services are subject to the Deductible and how the Deductible works for your plan.

Copayment and Coinsurance

A Covered Service may have a Copayment or a Coinsurance. A Copayment is a specific dollar amount you pay for a Covered Service. A Coinsurance is a percentage of the Allowable Amount you pay for a Covered Service.

Your provider will ask you to pay your Copayment or Coinsurance at the time of service. For Covered Services that are subject to your plan's Deductible, you are also responsible for all costs up to the Allowable Amount until you reach your Deductible.

You will continue to pay the Copayment or Coinsurance for each Covered Service you receive until you reach your Out-of-Pocket Maximum.

Calendar Year Out-of-Pocket Maximum

The Out-of-Pocket Maximum is the most you are required to pay in Cost Share for Covered Services in a Calendar Year. Your Cost Share includes any applicable Deductible, Copayment, and Coinsurance and these amounts count toward your Out-of-Pocket Maximum, except as listed below. Once you reach your Out-of-Pocket Maximum, the Claims Administrator will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year. If you want information about your Out-of-Pocket Maximum, you can call Customer Service.

If your Plan has Family coverage, you will have a separate Out-of-Pocket Maximum for each individual Member and one for the entire Family.

If your Plan has Family coverage, there is an individual Out-of-Pocket Maximum within the Family Out-of-Pocket Maximum. This means an individual family member can meet the individual Out-of-Pocket Maximum before the entire Family meets the Family Out-of-Pocket Maximum.

If your Plan has individual coverage and you enroll a Dependent, your Plan will have Family coverage. Any amount you have paid toward the Out-of-Pocket Maximum for your Plan with individual coverage will be applied to both the individual Out-of-Pocket Maximum and the Family Out-of-Pocket Maximum for your new Plan.

The following do not count toward your Out-of-Pocket Maximum:

- Charges for services that are not covered; and
- Charges over the Allowable Amount.

You will continue to be responsible for these costs even after you reach your Out-of-Pocket Maximum.

See the [Summary of Benefits](#) section for details on how the Out-of-Pocket Maximum works for your Plan.

Cost Share concepts in action

To recap, you are responsible for all costs for Covered Services until you reach any applicable Deductible. Once you reach any applicable Deductible, the Claims Administrator will pay the Allowable Amount for Covered Services, minus your Copayment or Coinsurance amounts, until you reach your Out-of-Pocket Maximum. Once you reach your Out-of-Pocket Maximum, the Claims Administrator will pay 100% of the Allowable Amount for Covered Services. Exceptions are described above.

EXAMPLE Cost to visit the doctor

Now that you know the basics, here is an example of how your Cost Share works. Please note, the DOLLAR AMOUNTS IN THE EXAMPLE ARE EXAMPLES ONLY AND DO NOT REFLECT ACTUAL DOLLAR AMOUNTS FOR YOUR PLAN.

Example: You visit the doctor for a sore throat. You have received Covered Services throughout the year and have already met your \$500 Deductible. However, you have not yet met your \$1,000 Out-of-Pocket Maximum.

Deductible: \$500

Amount paid to date toward Deductible: \$500

Out-of-Pocket Maximum: \$1,000

Amount paid to date toward Out-of-Pocket Maximum: \$500

Participating Provider Copayment: \$30

The Claims Administrator's Allowable Amount for the doctor's visit: \$100

	Participating Provider
You pay	\$30 (\$30 Copayment)
The Claims Administrator pays	\$70 (Allowable Amount minus your Cost Share)
Total payment to the doctor	\$100 (Allowable Amount)

In this example, because you have already met your Deductible, you are only responsible for the Participating Provider Copayment.

Claims

When you receive health care services, a claim must be submitted to request payment for Covered Services. A claim must be submitted even if you have not yet met your Deductible. The Claims Administrator uses claims information to track dollar amounts that count toward your Deductible and Out-of-Pocket Maximum.

When you see a Participating Provider, your provider submits the claim to the Claims Administrator. However, you may need to submit the claim to the Claims Administrator for the following services when received from a Non-Participating Provider:

- For Emergency or Urgent Services; and
- Inter-Plan Arrangements, including the BlueCard® and Blue Shield Global® Core programs described in the [Inter-Plan Arrangements](#) section.

For claim forms, please call Customer Service or visit member.accolade.com or blueshieldca.com. Please submit your claim form and medical records within one year of the service date.

See the [Inter-Plan Arrangements](#) section in the [Other important information about your plan](#) section for more information on BlueCard® Program claims.

Your coverage

This section explains eligibility and enrollment for this Plan. It also describes the terms of your coverage, including information about effective dates and the different ways your coverage can end.

Eligibility for this Plan

To be eligible for coverage as a Participant, you must meet all of your Employer's eligibility requirements and complete any waiting period established by your Employer.

Dependent eligibility

To be eligible for coverage as a Dependent, you must:

- Be listed on the enrollment form completed by the Participant; and
- Be the Participant's spouse, Domestic Partner, or be under age 26 and the child of the Participant, spouse, or Domestic Partner.
 - For the Participant's spouse to be eligible for this Plan, the Participant and spouse must not be legally separated.
 - For the Participant's Domestic Partner to be eligible for this Plan, the Participant and Domestic Partner must meet all the following requirements:
 - Both partners are 18 years of age or older;
 - The partners have chosen to share one another's lives in an intimate and committed relationship of mutual caring;
 - The partners are:
 - not currently married to someone else or a member of another domestic partnership, and
 - not so closely related by blood that legal marriage or registered domestic partnership is prohibited;
 - Both partners are capable of consenting to the domestic partnership; and
 - If required under your Plan Sponsor's eligibility requirements, provide a declaration of domestic partnership.
 - "Child" includes a stepchild, newborn, child placed for adoption, child placed in foster care, and child for whom the Participant, spouse, or Domestic Partner is the legal guardian. It does not include a grandchild unless the Participant, spouse, or Domestic Partner has adopted or is the legal guardian of the grandchild.
 - A child age 26 or older can remain enrolled as a Dependent if the child is disabled, incapable of self-support because of a mental or physical disability, and chiefly dependent on the Participant for economic support.
 - The Dependent child's disability must have begun before the period he or she would become ineligible for coverage due to age.
 - The Claims Administrator will send a notice of termination due to loss of eligibility 90 days before the date coverage will end.
 - The Participant must submit proof of continued eligibility for the Dependent at the Claims Administrator's request. The Claims Administrator may not request this information again for two years after

the initial determination. The Claims Administrator may request this information no more than once a year after that. The Participant's failure to provide this information could result in termination of a Dependent's coverage.

If both partners in a marriage or Domestic Partnership are eligible Employees and Participants, both are eligible for Dependent Benefits. You may enroll a child as a Dependent of either or of both parents.

A child will be considered adopted for the purpose of Dependent eligibility when one of the following happens:

- The child is legally adopted;
- The child is placed for adoption and there is evidence of the Participant, spouse, or Domestic Partner's right to control the child's health care; or
- The Participant, spouse, or Domestic Partner is granted legal authority to control the child's health care.

The child's eligibility as a Dependent will continue while waiting for a legal decree of adoption unless the child is removed from the Participant, spouse, or Domestic Partner's home before the decree is issued.

Enrollment and effective dates of coverage

As the Participant, you can enroll in coverage for yourself and your Dependents during your initial enrollment period, your Employer's annual open enrollment period, or if you qualify for a special enrollment period.

You are eligible for coverage as a Participant on the day following the date you complete any applicable waiting period established by your Employer. Coverage starts at 12:01 a.m. Pacific Time on the effective date of coverage. The Benefits of this plan are not available before the effective date of coverage.

Annual open enrollment

An annual open enrollment period will be available for any Member or Dependent who failed to enroll:

- during the first period in which he or she was eligible to enroll, or during any subsequent special enrollment period; or
- during any previous annual open enrollment period; or
- within 60 days after the termination date, if the individual was previously covered under the Plan but elected to terminate the coverage.

To qualify for enrollment during the annual open enrollment period, the Member or Dependent:

- must meet the eligibility requirements described in the Plan, including satisfaction of any applicable waiting period; and
- may not be covered under an alternate medical expense coverage offered by the Employer, unless the annual open enrollment period happens to coincide with a separate open enrollment period established for coverage election.

The effective date for any qualified individual requesting coverage during the annual open enrollment period will be the day immediately following the completion of the annual open enrollment period.

Special enrollment period

A special enrollment period is a time outside open enrollment when you can apply for coverage or change coverage. A special enrollment period begins with a Qualifying Event.

A special enrollment period gives you at least 30 days from a Qualifying Event to apply for or change coverage for yourself or your Dependents. See the [Special enrollment period](#) section for more information. You should notify your Employer as soon as possible if you experience a Qualifying Event that requires a change in your coverage.

If you or your Dependent request enrollment after the first period in which you or your Dependent were eligible to enroll but during a special enrollment event due to a family status change (newborn, child placed for adoption, child acquired by legal guardianship, new spouse or Domestic Partner, newly hired or newly transferred Employees), you or your Dependent will be a special enrollee and will not be considered a Late Enrollee.

If the Employer offers different Benefit options, a Benefit option transfer may also be made on any contribution due date if your request is due to a special enrollment event and you complete the appropriate enrollment form within the time specified for a special enrollment event due to a family status change (newborn, child placed for adoption, child acquired by legal guardianship, new spouse or Domestic Partner, newly hired or newly transferred Employees).

If a request for contributory coverage is made more than 31 days after the date an individual is eligible but during a special enrollment event due to a family status change, coverage for such individual will become effective as described within in this section.

Common Qualifying Events

Change in Dependents

Loss of coverage under another employer health plan or other health insurance

Loss of eligibility in a government program

For a complete list of Qualifying Events, see [Special enrollment period](#) on page 70 in the [Other important information about your plan](#) section.

Effective date of coverage for most special enrollment periods

If enrolled during initial enrollment or open enrollment, a Dependent will have the same effective date of coverage as the Participant. However, a Dependent may have a different effective date of coverage if added during a special enrollment period. Generally, if the Employee or Dependents qualify for a special enrollment period, coverage will begin no later than the 1st of the month following the date the Claims Administrator receives the request for special enrollment from your Employer.

Effective date of coverage for a new Dependent child

Coverage starts immediately for a:

- Newborn;
- Adopted child;
- Child placed for adoption;
- Child placed in foster care; or
- Child for whom the Participant, spouse, or Domestic Partner is the court-appointed legal guardian.

For coverage to continue beyond 31 days for a newborn, adopted child, or child placed for adoption, the Participant must **notify your Employer within 31 days** of birth, adoption, or placement for adoption.

Effective date for Late Enrollees

If a Late Enrollee requests coverage other than during an annual open enrollment period or special enrollment period, the effective date of coverage for the late enrollee will be the next plan anniversary date, provided on such date:

- the Member continues to meet the Plan's definition of Member; and
- for Dependent coverage, the Dependents continue to meet the Plan's definition of Dependent.

Plan changes

The Plan Sponsor has the right to change the Benefits and terms of this Plan as the law permits. This includes, but is not limited to, changes to:

- Terms and conditions;
- Benefits;
- Cost Shares;
- Participant Contributions; and
- Limitations and exclusions.

Benefits provided after the effective date of any change will be subject to the change. There is no vested right to obtain the original Benefits.

Coordination of benefits

When you are covered by more than one group health plan, payments for allowable expenses will be coordinated between the two plans. Coordination of benefits determines which plan will pay first when both plans have responsibility for paying the medical claim. For more information, see the [Coordination of benefits, continued](#) section.

When coverage ends

Your coverage will end if:

- You are no longer eligible for coverage in this Plan;
- Your Employer terminates or discontinues the Plan;
- The Participant cancels coverage; or
- The Claims Administrator cancels or rescinds coverage.

There is no right to receive the Benefits of this Plan after coverage ends, except as described in the [Continuity of Care](#) and [Continuation of group coverage](#) sections.

If your Employer terminates or discontinues the Plan

Your Employer may terminate or discontinue the Plan at any time.

If the Participant cancels coverage

If the Participant decides to cancel coverage, coverage will end at 11:59 p.m. Pacific Time on a date determined by your Employer.

Reinstatement

If the Participant voluntarily cancels coverage, the Participant can contact the Employer for reinstatement options.

If the Claims Administrator cancels coverage

The Claims Administrator can cancel your coverage if you or your Dependent commit fraud or intentional misrepresentation of material fact.

Cancellation or rescission for fraud or intentional misrepresentation of material fact

The Claims Administrator may cancel or rescind your coverage if you or your Dependent commit fraud or intentional misrepresentation of material fact. The Claims Administrator will send the Notice of Cancellation, Rescission or Nonrenewal to your Employer prior to any rescission. Your Employer must provide you with a copy of the Notice of Cancellation, Rescission or Nonrenewal. Rescission voids the coverage as if it never existed. Cancellation or rescission is effective on the date specified in the Notice of Cancellation, Rescission or Nonrenewal and the Notice of End of Coverage.

Continuation of group coverage

Please examine your options carefully before declining this coverage.

Questions? Visit member.accolade.com, use the Blue Shield mobile app, or call Accolade Customer Service at 1-888-569-0643.

You can continue coverage under this Plan when your Employer is subject to Title X of the Consolidated Omnibus Budget Reconciliation Act (COBRA), as amended.

Your benefits under the group continuation of coverage provisions will be identical to the Benefits you would have received as an active Employee if the qualifying event had not occurred. Any changes in the coverage available to active Employees will also apply to group continuation coverage.

COBRA

You may elect to continue group coverage under this Plan if you would otherwise lose coverage because of a COBRA qualifying event. Please contact your Employer for detailed information about COBRA continuation coverage, including eligibility, election of coverage, and COBRA dues.

COBRA qualifying event

A qualifying event is defined as a loss of coverage as a result of any one of the following occurrences.

- With respect to the Employee:
 - the termination of employment (other than by reason of gross misconduct); or
 - the reduction of hours of employment to less than the number of hours required for eligibility.
- With respect to the Dependent spouse or Dependent Domestic Partner* and Dependent children (children born to or placed for adoption with the Participant or Domestic Partner during a COBRA continuation period may be immediately added as Dependents, provided the Employer is properly notified of the birth or placement for adoption, and such children are enrolled within 30 days of the birth or placement for adoption):
 - *Note: Domestic Partners and Dependent children of Domestic Partners cannot elect COBRA on their own, and are only eligible for COBRA if the Participant elects to enroll.
 - the death of the Participant; or
 - the termination of the Participant's employment (other than by reason of such Participant's gross misconduct); or
 - the reduction of the Participant's hours of employment to less than the number of hours required for eligibility; or
 - the divorce or legal separation of the Participant from the Dependent spouse or termination of the domestic partnership; or
 - the Participant's entitlement to benefits under Title XVIII of the Social Security Act ("Medicare"); or
 - a Dependent child's loss of Dependent status under this Plan.
- With respect to a Participant who is covered as a retiree, that retiree's Dependent spouse and Dependent children, the Employer's filing for reorganization under Title XI, United States Code, commencing on or after July 1, 1986.

- With respect to any of the above, such other qualifying event as may be added to Title X of COBRA.

Notification of a qualifying event

You are responsible for notifying your Employer of divorce, legal separation, or a child's loss of Dependent status under this Plan, within 60 days of the date of the later of the qualifying event or the date on which coverage would otherwise terminate under this Plan because of a qualifying event.

The Employer is responsible for notifying its COBRA administrator (or Plan Administrator if the Employer does not have a COBRA administrator) of the Member's death, termination, or reduction of hours of employment, the Member's Medicare entitlement or the Employer's filing for reorganization under Title XI, United States Code.

When the COBRA administrator is notified that a Qualifying Event has occurred, the COBRA administrator will, within 14 days, provide written notice to you by first class mail of your right to continue group coverage under this Plan. You must then notify the COBRA administrator within 60 days of the later of (1) the date of the notice of your right to continue group coverage or (2) the date coverage terminates due to the qualifying event.

If you do not notify the COBRA administrator within 60 days, your coverage will terminate on the date you would have lost coverage because of the qualifying event.

Duration and extension of group continuation coverage

In no event will continuation of group coverage under COBRA be extended for more than 3 years from the date the qualifying event has occurred which originally entitled you to continue group coverage under this Plan.

Note: Domestic Partners and Dependent children of Domestic Partners cannot elect COBRA on their own, and are only eligible for COBRA if the Participant elects to enroll.

Payment of COBRA dues

COBRA dues for the Member continuing coverage shall be 102 percent of the applicable group dues rate, except for the Member who is eligible to continue group coverage to 29 months because of a Social Security disability determination, in which case, the dues for months 19 through 29 shall be 150 percent of the applicable group premium rate.

If you are contributing to the cost of coverage, the Employer shall be responsible for collecting and submitting all dues contributions to the Claims Administrator in the manner and for the period established under this Plan.

Effective date of the continuation of group coverage

The continuation of coverage will begin on the date your coverage under this Plan would otherwise terminate due to the occurrence of a qualifying event and

it will continue for up to the applicable period, provided that coverage is timely elected and so long as COBRA dues are timely paid.

Termination of group continuation coverage

The continuation of group coverage will cease if any one of the following events occurs prior to the expiration of the applicable period of continuation of group coverage:

- Termination of the Plan (if your Employer continues to provide any group health benefit plan for Employees, you may be able to continue coverage with another plan);
- Failure to pay COBRA dues in full and on time to the Claims Administrator. Coverage will end as of the end of the period for which COBRA dues were paid;
- You become covered under another group health plan;
- You become entitled to Medicare; or
- You commit fraud or deception in the use of the services of this Plan.

Continuation of group coverage while on leave

Employers are responsible to ensure compliance with state and federal laws regarding leaves of absence, including the Family and Medical Leave Act and the Uniformed Services Employment and Re-employment Rights Act.

Family leave

The federal Family and Medical Leave Act of 1993 allow you to continue your coverage under this Plan while you are on family leave. Your Employer is solely responsible for notifying their Employee of the availability and duration of family leaves.

Benefits are available for outpatient rehabilitative and habilitative services. Rehabilitative services help to restore the skills and functional ability you need to perform Activities of Daily Living when you are disabled by injury or illness. Habilitative services are therapies that help you learn, keep, or improve the skills or functioning you need for Activities of Daily Living.

These services include physical therapy, occupational therapy, and speech therapy. Your Physician or Health Care Provider must prepare a treatment plan. Treatment must be provided by an appropriately-licensed or certified Health Care Provider. You can continue to receive rehabilitative or habilitative services as long as your treatment is Medically Necessary.

The Claims Administrator may periodically review the provider's treatment plan and records for Medical Necessity.

See the [Hospital services](#) section for information about inpatient rehabilitative Benefits.

See the [Home health services](#) and [Hospice program services](#) sections for information about coverage for rehabilitative and habilitative services provided in the home.

Appeals are resolved in writing within 30 days from the date of receipt by the Claims Administrator, unless qualified for an expedited decision.

Final Internal Appeal

If you are dissatisfied with the initial internal appeal determination by the Claims Administrator, the determination may be appealed in writing to the Claims Administrator within 60 days after the date of receipt of the notice of the initial appeal determination. Such written request shall contain any additional information that you wish the Claims Administrator to consider. The Claims Administrator shall notify you in writing of the results of its review and the specific basis therefor. In the event the Claims Administrator finds all or part of the appeal to be valid, the Claims Administrator, on behalf of the Employer, shall reimburse either you or your Health Care Provider for those expenses which the Claims Administrator allowed as a result of its review of the appeal. To initiate a request for an expedited decision, you, a designated representative, a provider or an attorney on your behalf may call or write as instructed under the Initial and Final Appeals sections outlined above. If it qualifies, your request will be processed as soon as possible to accommodate your condition, not to exceed 72 hours.

External Review

Standard External Review

If you are dissatisfied with the final internal appeal determination, and the determination involves medical judgment, a rescission of coverage, or consideration of whether the Plan is complying with surprise billing and cost-share protections under the federal No Surprises Act, you, a designated representative, a provider or an attorney on your behalf, may request an external review with an Independent Review Organization.

Requests for external review must be submitted within four months after notice of the final internal appeal determination. Instructions for submitting a request for external review will be outlined in the final internal appeal response letter.

Expedited External Review

If your situation is eligible for an expedited decision, you, a designated representative, a provider or an attorney on your behalf may request external review within four months from the Adverse Benefit Determination without participating in the initial or final internal appeal process.

To initiate a request for an expedited external review, you, a designated representative, a provider or an attorney on your behalf may fax a request to (844) 696-6071, or write to the following address. For more information about special enrollment periods, see [Special enrollment period](#) on page 35 in the [Your coverage](#) section.

Inter-Plan Arrangements

Overview

The Claims Administrator has a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called Inter-Plan Arrangements and they work based on rules and procedures issued by the Blue Cross Blue Shield Association. Whenever you receive Covered Services outside of the Claims Administrator's geographic service area (California), the claims for those services may be processed through one of these Inter-Plan Arrangements described below.

When you access Covered Services outside of California, but within the United States, the Commonwealth of Puerto Rico, or the U.S. Virgin Islands (BlueCard® Service Area), you will receive the care from one of two kinds of providers. Participating providers contract with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (Host Blue). Non-participating providers don't contract with the Host Blue. The Claims Administrator's payment practices for both kinds of providers are described below and in the [Introduction](#) section of this Benefit Booklet.

Emergency Services

Members who experience an Emergency Medical Condition should seek immediate care from the nearest Hospital. The Benefits of this Plan will be provided anywhere in the world for treatment of an Emergency Medical Condition.

BlueCard® Program

Under the BlueCard® Program, benefits will be provided for Covered Services received outside of the Claims Administrator's geographic service area (California), but within the BlueCard® Service Area. When you receive Covered

Services within the geographic area served by a Host Blue, the Claims Administrator will remain responsible for doing what we agreed to in the Benefit Booklet. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare providers, including direct payment to the provider.

The BlueCard® Program enables you to obtain Covered Services within the BlueCard® Service Area, from a healthcare provider participating with a Host Blue, where available. The participating healthcare provider will automatically file a claim for the Covered Services provided to you, so there are no claim forms for you to fill out. You will be responsible for the member Copayment, Coinsurance and Deductible amounts, if any, as stated in this Benefit Booklet.

The Claims Administrator calculates the Member's share of cost either as a percentage of the Allowable Amount or a dollar Copayment, as defined in this Benefit Booklet. Whenever you receive Covered Services outside of California, within the BlueCard Service Area, and the claim is processed through the BlueCard® Program, the amount you pay for Covered Services, if not a flat dollar Copayment, is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to the Claims Administrator.

Often, this negotiated price will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims as noted above. However, such adjustments will not affect the price the Claims Administrator used for your claim because these adjustments will not be applied retroactively to claims already paid.

Laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any Covered Services according to applicable law.

To find participating BlueCard® providers you can call BlueCard Access® at 1-800-810-BLUE (2583) or go online at bcbs.com and select "Find a Doctor."

Prior authorization may be required for non-emergency services. Please see the [Medical Management Programs](#) section for additional information on prior authorization and the [Emergency Benefits](#) section for information on emergency admission notification.

Non-participating providers outside of the Claims Administrator's geographic service area

Except where prohibited by state law, this Claims Administrator plan does not provide coverage for health care services provided by non-participating providers outside of California except for Emergency Services, Urgent Services, and Out-of-Area Follow-up Care. When Emergency Services or Urgent Services are provided within the BlueCard® Service Area by a non-participating provider, the amount you pay is based on federal or state law, as applicable. When Out-of-Area Follow-up Care is provided within the BlueCard® Service Area by a non-participating provider, the amount you pay for such services will normally be based on either the Host Blue's non-participating provider local payment, the Allowable Amount the Claims Administrator pays a Non-Participating Provider in California if the Host Blue has no non-participating provider allowance, or the pricing arrangements required by applicable state or federal law. In these situations, you will be responsible for any difference between the amount that the non-participating provider bills and the payment the Claims Administrator will make for Out-of-Area Follow-Up Care Services as set forth in this paragraph.

If you do not see a participating provider through the BlueCard® Program, you will have to pay the entire bill for your medical care and submit a claim to the local Blue Cross and/or Blue Shield plan, or to the Claims Administrator for reimbursement. The Claims Administrator will review your claim and notify you of its coverage determination within 30 days after receipt of the claim; you will be reimbursed as described in the preceding paragraph. Remember, your share of cost is higher when you see a non-participating provider.

Prior authorization is not required for Emergency Services. In an emergency, go directly to the nearest hospital. Please see the [Medical Management Programs](#) section for additional information on emergency admission notification.

Blue Shield Global® Core

Care for Covered Urgent and Emergency Services outside the BlueCard Service Area

If you are outside of the BlueCard® Service Area, you may be able to take advantage of Blue Shield Global® Core when accessing Out-of-Area Covered Health Care Services. Blue Shield Global® Core is unlike the BlueCard® Program available within the BlueCard® Service Area in certain ways. For instance, although Blue Shield Global® Core assists you with accessing a network of inpatient, outpatient, and professional providers, the network is not served by a Host Blue. As such, when you receive care from provider outside the BlueCard® Service Area, you will typically have

to pay the providers and submit the claim yourself to obtain reimbursement for these services.

If you need assistance locating a doctor or hospital outside the BlueCard® Service Area you should call the service center at (800) 810-BLUE (2583) or call collect at (804) 673-1177, 24 hours a day, seven days a week. Provider information is also available online at www.bcbs.com: select "Find a Doctor" and then "Blue Shield Global Core."

Submitting a Blue Shield Global® Core claim

When you pay directly for services outside the BlueCard® Service Area, you must submit a claim to obtain reimbursement. You should complete a Blue Shield Global® Core claim form and send the claim form along with the provider's itemized bill to the service center at the address provided on the form to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from Customer Service, the service center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the service center at (800) 810-BLUE (2583) or call collect at (804) 673-1177, 24 hours a day, seven days a week.

Special Cases: Value-Based Programs

Claims Administrator Value-Based Programs

You may have access to Covered Services from providers that participate in a Claims Administrator Value-Based Program. Claims Administrator Value-Based Programs include, but are not limited to, Accountable Care Organizations, Episode Based Payments, Patient Centered Medical Homes, and Shared Savings arrangements.

From the Find A Doctor search page, click on the hyperlink "Providers outside of CA" under the Accessing Care Outside CA descriptor. National Doctor and Hospital Finder at www.bcbs.com/find-a-doctor, Blue Distinction Center Finder at www.bcbs.com/blue-distinction-center or by calling (800) 810-BLUE.

BlueCard® Program

If you receive Covered Services under a Value-Based Program inside a Host Blue's service area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to the Claims Administrator through average pricing or fee schedule adjustments.

When this Plan provides Benefits after Medicare, your combined Benefits from Medicare and this Plan may be lower than the Medicare allowed amount but will not exceed the Medicare allowed amount. You do not have to pay any Plan Deductibles, Copayments, or Coinsurance.

Medi-Cal

Medi-Cal always pays for Benefits last when you have coverage from more than one payor.

Qualified veterans

If you are a qualified veteran, the Claims Administrator will pay the reasonable value or the Allowable Amount for Covered Services you receive at a Veterans Administration facility for a condition that is not related to military service. If you are a qualified veteran who is not on active duty, the Claims Administrator will pay the reasonable value or the Allowable Amount for Benefits you receive at a Department of Defense facility. This includes Benefits for conditions related to military service.

Coverage by another government agency

If you are entitled to receive Benefits from any federal or state governmental agency, by any municipality, county, or other political subdivision, your combined Benefits from that coverage and this Plan will equal but not be more than what the Claims Administrator would pay if you were not eligible for Benefits under that coverage. The Claims Administrator will provide Benefits based on the reasonable value or the Allowable Amount.

Exception for other coverage

A Participating Provider may seek reimbursement from other third-party payors for the balance of their charges for services you receive under this Plan.

If you recover from a third party the reasonable value of Covered Services received from a Participating Provider, the Participating Provider is not required to accept the fees paid by the Claims Administrator as payment in full. You may be liable to the Participating Provider for the difference, if any, between the fees paid by the Claims Administrator and the reasonable value recovered for those services.

Reductions – third-party liability

If a Participant is injured or becomes ill due to the act or omission of another person (a “third party”), the Claims Administrator shall, with respect to Services required as a result of that injury, provide the Benefits of the Plan and the Plan Administrator have an equitable right to restitution, reimbursement or other available remedy to recover amounts the Plan Administrator paid for the Services provided to the Participant on a fee-for-service basis from any recovery (defined below) obtained by or on behalf of the Participant, from or on behalf of the third party responsible for the injury or illness or from uninsured/underinsured motorist coverage.

The Plan Administrator's right to restitution, reimbursement or other available remedy is against any recovery the Participant receives as a result of the injury or illness, including any amount awarded to or received by way of court judgment, arbitration award, settlement or any other arrangement, from any third party or third party insurer, or from uninsured or underinsured motorist coverage, related to the illness or injury (the “Recovery”), without regard to whether the Participant has been “made whole” by the Recovery. The Plan Administrator's right to restitution, reimbursement or other available remedy is with respect to that portion of the total Recovery that is due the Claims Administrator for the Benefits it paid in connection with such injury or illness.

The Participant is required to:

- Notify the Plan Administrator in writing of any actual or potential claim or legal action which such Participant expects to bring or has brought against the third party arising from the alleged acts or omissions causing the injury or illness, not later than 30 days after submitting or filing a claim or legal action against the third party; and
- Agree to fully cooperate and execute any forms or documents needed to enforce this right to restitution, reimbursement or other available remedies; and
- Agree in writing to reimburse the Plan Administrator for Benefits paid by the Claims Administrator from any Recovery when the Recovery is obtained from or on behalf of the third party or the insurer of the third party, or from uninsured or underinsured motorist coverage; and
- Provide the Plan Administrator with a lien in the amount of Benefits actually paid. The lien may be filed with the third party, the third party's agent or attorney, or the court, unless otherwise prohibited by law; and,
- Periodically respond to information requests regarding the claim against the third party, and notify the Plan Administrator, in writing, within 10 days after any Recovery has been obtained.

A Participant's failure to comply with these requirements shall not in any way act as a waiver, release, or relinquishment of the rights of the Plan Administrator.

If your injury or illness was, in any way, caused by a third party who may be legally liable or responsible for the injury or illness, no Benefits will be payable or paid under the Plan unless you agree in writing, in a form satisfactory to the plan, to do all of the following:

- Provide the Plan with a written notice of any claim made against the third party for damages as a result of the injury or illness;
- Agree in writing to reimburse the Plan for Benefits paid by the Plan from any Recovery (defined below) when the Recovery is obtained from or on behalf of the third party or the insurer of the third party, or from your own uninsured or underinsured motorist coverage;
- Execute a lien in favor of the Plan for the full amount of Benefits paid by the plan;
- Ensure that any Recovery is kept separate from and not comingled with any other funds and agree in writing that the portion of any Recovery required to satisfy the lien of the Plan is held in trust for the sole benefit of the Plan until such time it is conveyed to the plan;
- Periodically respond to information requests regarding the claim against the third party, and notify the plan, in writing, within 10 days after any Recovery has been obtained;
- Direct any legal counsel retained by you or any other person acting on your behalf to hold that portion of the Recovery to which the Plan is entitled in trust for the sole benefit of the Plan and to comply with and facilitate the reimbursement to the Plan of the monies owed it.

If you fail to comply with the above requirements, no benefits will be paid with respect to the injury or illness. If Benefits have been paid, they may be recouped by the plan, through deductions from future benefit payments to you or others enrolled through you in the plan.

“Recovery” includes any amount awarded to or received by way of court judgment, arbitration award, settlement or any other arrangement, from any third party or third party insurer, or from your uninsured or underinsured motorist coverage, related to the illness or injury, without reduction for any attorneys' fees paid or owed by the you or on your behalf, and without regard to whether you have been “made whole” by the Recovery. Recovery does not include monies received from any insurance policy or certificate issued in your name, except for uninsured or underinsured motorist coverage. The Recovery includes all monies received, regardless of how held, and includes monies directly received as well as any monies held in any account or trust on your behalf, such as an attorney-client trust account.

You shall pay to the Plan from the Recovery an amount equal to the Benefits actually paid by the Plan in connection with the illness or injury. If the Benefits paid by the Plan in connection with the illness or injury exceed the amount of the Recovery, you shall not be responsible to reimburse the Plan for the Benefits paid in connection with the illness or injury in excess of the Recovery.

Your acceptance of Benefits from the Plan for illness or injury caused by a third party shall act as a waiver of any defense to full reimbursement of the Plan from the Recovery, including any defense that the injured individual has not been “made

whole" by the Recovery or that the individual's attorneys' fees and costs, in whole or in part, are required to be paid or are payable from the Recovery, or that the Plan should pay a portion of the attorneys' fees and costs incurred in connection with the claims against the third party.

THE FOLLOWING LANGUAGE APPLIES UNLESS THE PLAN IS PART OF AN EMPLOYEE WELFARE BENEFIT PLAN SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 ("ERISA"); IF THE PLAN IS SUBJECT TO ERISA, THE FOLLOWING LANGUAGE DOES NOT APPLY.

If you receive services from a Participating Hospital for injuries or illness, the Hospital has the right to collect from you the difference between the amount paid by the Plan and the Hospital's reasonable and necessary charges for such services when you receive payment or reimbursement for medical expenses.

Coordination of benefits, continued

When you are covered by more than one group health plan, payments for allowable expenses will be coordinated between the two plans. Coordination of benefits ensures that benefits paid by multiple group health plans do not exceed 100% of allowable expenses. The coordination of benefits rules also determine which group health plan is primary and prevent delays in benefit payments. The Claims Administrator determines the order of benefit payments between two group health plans, as follows:

- When a plan does not have a coordination of benefits provision, that plan will always provide its benefits first. Otherwise, the plan covering you as an Employee will provide its benefits before the plan covering you as a Dependent.
- Coverage for Dependent children:
 - When the parents are not divorced or separated, the plan of the parent whose date of birth (month and day) occurs earlier in the year is primary.
 - When the parents are divorced and the specific terms of the court decree state that one of the parents is responsible for the health care expenses of the child, the plan of the responsible parent is primary.
 - When the parents are divorced or separated, there is no court decree, and the parent with custody has not remarried, the plan of the custodial parent is primary.
 - When the parents are divorced or separated, there is no court decree, and the parent with custody has remarried, the order of payment is as follows:
 - The plan of the custodial parent;
 - The plan of the stepparent; then
 - The plan of the non-custodial parent.
- If the above rules do not apply, the plan which has covered you for the longer period of time is the primary plan. There may be exceptions for laid-off or retired Employees.
- When the Claims Administrator is the primary plan, Benefits will be provided without considering the other group health plan. When the Claims Administrator is the secondary plan and there is a dispute as to which plan is

- primary, or the primary plan has not paid within a reasonable period of time, the Claims Administrator will provide Benefits as if it were the primary plan.
- Anytime the Claims Administrator makes payments over the amount they should have paid as the primary or secondary plan, the Claims Administrator reserves the right to recover the excess payments from the other plan or any person to whom such payments were made.

These coordination of benefits rules do not apply to the programs included in the [Limitation for Duplicate Coverage](#) section.

General provisions

Independent contractors

Providers are neither agents nor employees of the Claims Administrator but are independent contractors. In no instance shall the Claims Administrator be liable for the negligence, wrongful acts, or omissions of any person providing services, including any Physician, Hospital, or other Health Care Provider or their employees.

Assignment

The Benefits of this plan, including payment of claims, may not be assigned without the written consent of the Claims Administrator. Participating Providers are paid directly by the Claims Administrator. When you are authorized to receive Covered Services from a Non-Participating Provider, the Claims Administrator, at its sole discretion, may make payment to the Participant or directly to the Non-Participating Provider. If the Claims Administrator pays the Non-Participating Provider directly, such payment does not create a third-party beneficiary or other legal relationship between the Claims Administrator and the Non-Participating Provider. The Participant must make sure the Non-Participating Provider receives the full billed amount, whether or not the Claims Administrator makes payment to the Non-Participating Provider.

Plan interpretation

The Claims Administrator shall have the power and authority to construe and interpret the provisions of this plan, to determine the Benefits of this plan, and to determine eligibility to receive Benefits under the Contract. The Claims Administrator shall exercise this authority for the benefit of all Members entitled to receive Benefits under this plan.

Access to information

The Claims Administrator may need information from medical providers, from other carriers or other entities, or from the Member, in order to administer the Benefits and eligibility provisions of this plan and the Contract. By enrolling in this health plan, each Member agrees that any provider or entity can disclose to the Claims Administrator that information that is reasonably needed by the Claims Administrator. Members also agree to assist the Claims Administrator in obtaining this information, if needed, (including signing any necessary authorizations) and to cooperate by providing the Claims Administrator with information in the Member's possession. Failure to assist the

Claims Administrator in obtaining necessary information or refusal to provide information reasonably needed may result in the delay or denial of Benefits until the necessary information is received. Any information received for this purpose by the Claims Administrator will be maintained as confidential and will not be disclosed without the Member's consent, except as otherwise permitted or required by law.

Right of recovery

Whenever payment on a claim is made in error, the Claims Administrator has the right to recover such payment from the Participant or, if applicable, the provider or another health benefit plan, in accordance with applicable laws and regulations. With notice, the Claims Administrator reserves the right to deduct or offset any amounts paid in error from any pending or future claim to the extent permitted by law. Circumstances that might result in payment of a claim in error include, but are not limited to, payment of benefits in excess of the benefits provided by the health plan, payment of amounts that are the responsibility of the Participant (Cost Share or similar charges), payment of amounts that are the responsibility of another payor, payments made after termination of the Participant's coverage, or payments made on fraudulent claims.
